

# BERRIEN COUNTY, MICHIGAN

## HIGH PRIORITY NON-MOTORIZED ROUTES AND COMMUNITIES

### ----- Non-motorized Trail Opportunity

Non-motorized Trails were created from a variety of sources included local master plans, public input meetings, and governmental bodies. The complete report, *Connecting Communities: A Regional Vision for Non-Motorized Transportation in Southwest Michigan* [http://www.swmpc.org/downloads/final\\_plan\\_1.pdf](http://www.swmpc.org/downloads/final_plan_1.pdf)

Non-motorized Local Plan

Non-motorized Regional Plan

Selected planned, non-motorized routes were buffered at a 1 mile to highlight Regional and Local connecting trails.

Municipalities that share the recreational plan goals of Non-motorized Facilities Upgrades Maintenance, or Development
